Register now for a California Post-Fire Forest Resilience Workshop in Napa County

Online weekly Thursdays 6:00pm – 7:30pm, April 20th to

June 1st and in-person field trips on

Friday June 2nd and Saturday June 3rd

Learn about managing forestland after wildfire:

- Increasing forest disturbances
- Post-wildfire issues: erosion, invasives, hazard trees, fuels
- Reforestation: how and when?
- Financial and professional assistance for landowners
- Safety and erosion control for the short and long term
- Removing dead trees/ salvage logging/ slash treatment
- Reforestation/seedling orders/ climate change/ planting
- Managing competing vegetation re-sprouting vegetation
- On-going forest maintenance

Participants will use online resources on their own time to complete learning modules and short activities. Zoom meetings with all participants and presenters will take place once a week on Thursdays, 6-7:30pm. The focus is on recent fires in Napa County. The in-person field trips will visit the LNU Complex and Glass fires to see fire impacts, restoration needs and strategies and restoration projects on private and public lands.

Registration for the workshop is \$25. Sign up now at:
