

CLIMATE-SMART BURN CONTRACTORS

CLEAN BURN COMPANY

Eric Carlson

(707) 661-3131

eric@thecleanburncompany.com

Calistoga

The Clean Burn Co has multiple air curtain AirBurners BurnBosses and a well-trained crew to process woody debris in a clean and efficient manner. Their main focus is on post-fire forest recovery work, but are available to support healthy forest management and processing of significant wood waste.

EAKLE VINEYARD MANAGEMENT

David Eakle

(707) 974-0063

david@eakledevelopment.com

Pope Valley

Eakle Vineyard Management is a respected contractor with air curtain AirBurners to provide climate-smart burn work.

NAPACHAR

Eric Mayer

(707) 492-5652

info@napachar.com

Napa & Sonoma

Napachar specializes in processing vineyard and/or forestry debris with flamed-capped kilns in a cost-efficient manner.

PINA VINEYARD MANAGEMENT

Johnnie White Jr.

(707) 738-1543

johnniejr@pinavineyards.com

Napa

Piña Vineyard Management has a large air curtain AirBurner and they've focused on processing vineyard vine piles and other wood waste. They have a large machine, able to process a lot of wood efficiently, as well as the crew and machinery.

RUTHERFORD EQUIPMENT RENTAL

Lisa Warner

(707) 253-7368 x2

lisa@rutherfordrental.com

Napa

Rutherford Equipment Rental, a winery production equipment rental company, has a small, towable air curtain BurnBoss available for rent in their fleet.

SONOMA BIOCHAR INITIATIVE/ SONOMA ECOLOGY CENTER

Raymond Baltar

707 291-3240

rbaltar@sonic.net

Sonoma

Raymond and his crew from the Sonoma Ecology Center are available to demonstrate and train folks on how to use a Flame-capped Kiln and utilize the Conservation Burn/Low-Smoke Burn method of burning open, dry piles of vines.
